

Brain Bank Singapore

Your Gift to Future Generations

Brain Bank Singapore is the first Tissue Bank in Singapore & South-East Asia that is dedicated to providing a national resource of post-mortem brain and spinal cord tissues for research into brain disorders such as Dementia, Parkinson's Disease, and Stroke.

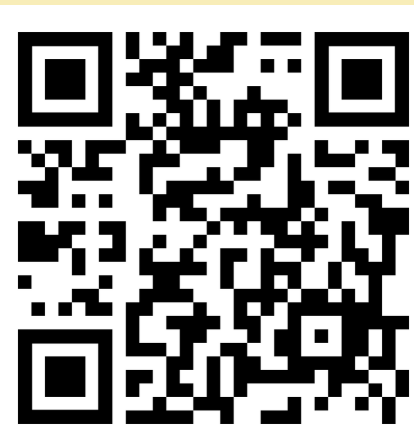

These tissue donations are vital to increase medical knowledge to better diagnose, prevent, treat, and cure such conditions.

19 APRIL 2022, TUESDAY
2.30PM - 3.30PM

ONLINE VIA ZOOM
